These tests are part of the Welsh Assembly Government National Literacy and Numeracy Framework (LNF) which has been developed to help the children of Wales to develop excellent literacy and numeracy skills during their time at school. Please note that these are national tests and that all students across Wales will be sitting the appropriate test for their Year Group.

Student timetables will be available to parents using the Xpressions app. This app is downloadable from your phone App or Play store. Links to further information regarding the Literacy and Numeracy Framework along with some sample material, can be found on the school website.

We will contact you in the summer to advise you of your child's performance in the tests. If you require any further information please do not hesitate to contact me.

Yours faithfully
