

Health and Safety Policy

Scope and Purpose of Policy

It is a legal duty, under the Health and Safety at Work etc. Act 1974, for employers, with 5 or more employees, to have a Health and Safety Policy. A Cardiff Council Health and Safety Policy detailing the corporate organisation and arrangements for the management of health and safety has been issued. The Education Service has also produced a more detailed Service Area Health and Safety Policy, which contains a health and safety policy statement of intent, details the organisation and specific responsibilities for managers and other employees within each school (including Head teachers) and arrangements for implementing the Policy.

The individual school policy should be read in conjunction with the Council and Education Service Health and Safety Policies.

This policy is supported by ancillary, subject specific Health and Safety Procedures which are available in electronic format on the Staff Intranet.

Health and Safety Policy Statement

This is the health and safety policy of Eastern Community Campus which should be read in conjunction with [Cardiff Council's Health and Safety Policy](#) and the [Health and Safety Policy of the Education Service](#).

The Campus accepts its responsibilities under the Health and Safety at Work etc. Act 1974, for providing a safe and healthy workplace and working environment for all its employees, pupils, visitors, contractors and other persons who may be affected by its activities.

Eastern High Campus is a partnership between Eastern High School, Cardiff and Vale College and local community projects. Whilst each will operate independently under their own Health and Safety Policy there is recognition that there is a need for extensive co-operation between all parties to ensure the Health, Safety and Welfare of all Staff, Pupils, Learners and Visitors to the Eastern High Campus. Therefore, to this end a partnership arrangement has been formed to address Health and Safety at the Campus.

The Senior Management Team and the School Governing Body will take all reasonable steps to ensure that Cardiff Council's Health and Safety Policy, the Health and Safety Policy of the Education Service and their own Campus policy
